WHAT IS LEFT?

REPORTS

ARCHIVES

LEFT – REPORTS

Will be easier to implement once we finish Roster page

A light blue downward-pointing arrow indicating a flow from the first step to the second.

Allow teachers to edit the Roster page

A light blue downward-pointing arrow indicating a flow from the second step to the third.

Need to submit the Roster page and send to administration

LEFT – ARCHIVES

Once Roster Page and Reports get done, this will be easily implemented

Need to save data for later usage

May need another table

Allow for read only access for admins

BIGGEST ISSUES

Translating event input to local/browser time

Using a trigger to copy auth.users into public.users table

Searching for students using name or ID number – SOLVED

Getting a user from a session – SOLVED

Using autocomplete while searching for students – SOLVED

Calendar Implementation - SOLVED
